Let me take a moment to welcome you and _____
(Student's Name) to your lesson and thank you for your interest in music. It is always a pleasure to begin a new student and to see the excitement in the children as they learn to play an instrument. You will be instructed as to how to help your child progress and I am always interested in your "news" of their practice week. The following are guidelines for all students:

TUITION

Monthly tuition is payable in advance on the first lesson of each calendar month. The monthly tuition is \$ _____ for your lessons at Leading Note Studios.

Cancellation Policy: Make-up lessons will be scheduled for all teacher-cancelled lessons. No other lessons will be credited or re-scheduled.

Credit Cards: We now offer monthly automatic withdrawals for payments. We work on a prorated monthly calendar offering the same monthly payment for 5 lessons or 3 lessons. Ask your teacher for our payment calendar.

Termination Policy: We request a 30 notice if you decide to discontinue lessons giving our teachers a chance to replace their income.

Make-Up Classes

Your child's lesson time has been reserved exclusively for you. Your monthly tuition reserves the teacher's time for your child whether or not you attend your lesson. ***Therefore, no credits or refunds are given for a student's missed lesson.*** Your cooperation is so appreciated.

Student Recitals

Leading Note Studios will host two recitals each year in May and December. These are not required but encouraged for each student to reach goals and confidence as musicians. They are recorded and you will receive a DVD for free of your child's performance.

Practice Time

Please encourage your child to play something each and everyday. To get the instrument in hand is always the first step to creating a constant practice schedule. Time is not an issue - quality is. You as a parent are always encouraged to sit in all the lessons if desired.

I am honored that you have chosen **Leading Note Studios** to teach your child the joy of music and look forward to serving you in many happy days to come.

I have read and agree to the mentioned Policies of Leading Note Studios.
